**Date:**

**Manuscript Title:**

Regarding the national and international indexing regulations, the "JARSS" journal will publish the manuscripts with "Author Contribution Statement" by the year 2022.

Please follow the instructions, and complete the "Author Contribution Statement."

Based on the **ICMJE guidelines for authorship criteria** (<http://www.icmje.org/recommendations/browse/roles-and-responsibilities/defining-the-role-of-authors-and-contributors.html>) and as recommended by the **Committee on Publication Ethics [COPE]**, (<https://publicationethics.org/>), what you need to do is clarify how each author has contributed to the paper.

An author's name can appear multiple times, and each author name must appear at least once.

For single authors, use the following wording: The author confirms sole responsibility for the following: study conception and design, data collection, analysis and interpretation of results, and manuscript preparation. You need to create a list assigning a person's name against the following roles or tasks:

- Conception or design of the work
- Data collection
- Data analysis and interpretation
- Drafting the article
- Critical revision of the article
- Other (study supervision, fundings, materials, etc...)
- Final approval of the version to be published

Note that the names of all the co-authors should be written for the last point. Once you draft the contributorship statement, make sure to get it signed by all the co-authors before you submit it to the journal.

**Example:**

The authors confirm contribution to the paper as follows:

Study conception and design: X. Author, Y. Author

Data collection: Y. Author

Analysis and interpretation of results: X. Author, Y. Author. Z. Author

Draft manuscript preparation: Y. Author. Z. Author.

All authors (X, Y, Z) reviewed the results and approved the final version of the manuscript.
