The undersigned authors hereby agree that Archives of the Turkish Society of Cardiology and the Publisher (Kare Publishing) Turkish Society of Cardiology have no responsibility over the content of the manuscript titled above. The undersigned authors warrant that;

Originality of the Submission

- The submitted manuscript (including the text, tables, figures, graphs, images, and any other related content) is original and has not been submitted to another journal for publication, has not been published before in whole or in part,
- If the manuscript has been published in whole or in part, all permissions were granted for publication in Archives of the Turkish Society of Cardiology, and original copyright form and other required documents will be forwarded to Turkish Society of Cardiology and all relevant persons and institutions,

Using Third Party Materials

- The authors guarantee that the article does not infringe any personal or property right of others and accept the responsibility of the content of this manuscript and all other legal responsibilities related to the manuscript,

Copyright, License, and Rights

- By signing this form, authors agree that the article, if accepted for publication by the Archives of the Turkish Society of Cardiology, will be licensed under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND) which allows third parties to share the material for only non-commercial purposes by giving the appropriate credit to the original work. Adaptation and modification of the material is not permitted. For further details of the license CC BY-NC-ND 4.0, please see <https://creativecommons.org/licenses/by-nc-nd/4.0/>
- The authors retain all patent and other proprietary rights to the article, including copyright.
- In addition to the non-exclusive rights the journal has under the CC BY-NC -ND license, this agreement also authorizes the journal to permit the commercial use as well as publication, republication in electronic and print format in the journal and distribution of the content.

Validity of the Agreement

- If the article is not accepted for publication in Archives of the Turkish Society of Cardiology, the agreement will expire, and both the journal and the Publisher will not have any rights over the content.

Archives of the Turkish Society of Cardiology adheres to the ICMJE recommendations on authorship that contains the following 4 criteria:

1. Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work;
2. Drafting the work or revising it critically for important intellectual content;
3. Final approval of the version to be published;
4. Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved

All authors must be fulfilling the conditions specified in the above- mentioned first 3 criteria. Those who do not fulfill the specified number of contributions and conditions are to be mentioned in the "Acknowledgement" section of the article.

The undersigned authors certify that they qualify for authorship according to the above-mentioned terms and conditions.

This form should be signed by all authors and submitted during the initial submission with the rest of the manuscript files. The authors can either sign the same page or submit separately signed documents.
