

VAN MEDICAL JOURNAL

The Official Journal of Van Yüzüncü Yıl University Faculty of Medicine

COPYRIGHT AGREEMENT AND AUTHORSHIP ACKNOWLEDGEMENT

Title of the article:

The undersigned authors accept full responsibility for the content of the article submitted to the Van Medical Journal and publisher Van Yüzüncü Yıl University Faculty of Medicine.

1. Originality of the Article

The submitted article (text, tables, figures, graphics, images, and all related content) is original and has not been submitted to another journal for publication, nor has it been previously published in another journal, in whole or in part.

If all or part of the manuscript has been published previously, all necessary permissions have been obtained, and the original copyright form and supporting documents will be provided to the Editorial Office.

2. Use of Third-Party Materials

The authors guarantee that the article does not violate the personal or proprietary rights of others, and accept full responsibility for the content of the article and all associated legal obligations.

3. Copyright, License, and Rights

[Creative Commons Attribution-NonCommercial 4.0 International \(CC BY-NC 4.0\)](#) license.

- The copyright of the article remains with the author(s).
- By signing this form, the authors authorize Van Medical Journal to publish the article and to be identified as the original publisher.
- Third parties may freely share and adapt the material for non-commercial purposes, provided the original authors and citation details are properly attributed.
- Authors retain the right to self-archive the published Version of Record in institutional or disciplinary repositories immediately upon publication.
- Nothing in this license impairs or restricts the authors' right to preserve the integrity and ownership of their work.

- All commercial rights related to the article remain with the author(s).

Rejection: If the manuscript is not accepted for publication, this agreement expires and no rights are transferred to the journal or publisher.

4. Authorship Criteria (ICMJE)

To be listed as an author, an individual must meet all four of the following criteria:

1. Substantial contribution to the conception or design, OR to the acquisition, analysis, or interpretation of data; AND
2. Drafting the work OR critically revising it for important intellectual content; AND
3. Final approval of the version to be published; AND
4. Agreement to be accountable for all aspects of the work, including the accuracy and integrity of any part.

5. AI Tools Statement

The undersigned authors declare that no Artificial Intelligence (AI) tool has been listed as an author. If AI tools (e.g., ChatGPT, LLMs) were used for writing assistance, language editing, or data processing, this has been explicitly disclosed in the "Materials and Methods" or "Acknowledgements" section of the manuscript, specifying the tool used and its purpose.

6. Author Contributions and Signatures

<https://credit.niso.org/>). All authors must sign below, confirming they meet the authorship criteria above and agree to the terms of this agreement.

CRedit Contribution Roles: Conceptualization | Methodology | Software | Validation | Formal Analysis | Investigation | Resources | Data Curation | Writing – Original Draft | Writing – Review & Editing | Visualization | Supervision | Project Administration | Funding Acquisition
