Dear Readers,

We are pleased to introduce JEMS 11 (1) to our valuable followers. We are very excited that this issue is the first issue of our second decade. We hope that we will complete many more ten-year periods. In this issue, there are valuable and intriguing studies. No doubt that these studies will contribute to the maritime industry. Hereby, I would like to express our gratitude to the authors, who sent their valuable studies for publication in this issue, our reviewers, editorial board, section editors, and the publisher, who provided quality publications by diligently following our publication policies.

**Yours Sincerely,**

Prof. Dr. Selçuk NAS
