

A

Academic

Being an academic dermatologist in Turkey: Young academic dermatologists' perspectives on dermatology,.....34

Acne

Factors in the etiopathogenesis of post-adolescent female acne, ... 119

Acne vulgaris

Effect of informative seminars during national acne week on participants' knowledge about acne in Turkey,.....9

Adolescent

Investigation of the knowledge level, attitudes, and behaviors about sun protection and sunscreen in adolescent athletes,75

Alopecia areata

Type D personality and quality of life in alopecia areata and vitiligo patients: A cross-sectional study in a Turkish population,87

Change in dermatology practice during crisis and normalization periods after the COVID-19 pandemic and potential problems awaiting us,169

Anti-IL-17A

The real-life efficacy and safety of secukinumab therapy (150 and 300 mg) in patients with moderate-to-severe plaque psoriasis: A twelve week, single center, retrospective study, 113

Annular lichenoid dermatitis of youth

Annular lichenoid dermatitis of youth: A report of two cases and a review of the literature,..... 135

Arterial stiffness

Evaluation of arterial stiffness in patients with psoriasis vulgaris, 14

Atopic dermatitis

The role of epidermal differentiation gene complex studies in atopic dermatitis,56

Atrophic dermatofibroma

A case of atrophic dermatofibroma, 140

Autosomal recessive diseases

Mal de Meleda: A late-diagnosed family with a pathogenic variant not reported from Turkey,.....41

B

Brucellosis

A case of Brucellosis with skin eruptions,..... 203

Burrow's graft

Burrow's graft: A simple and time-saving alternative for nasal skin repair after surgery, 208

C

Cancer

Merkel cell carcinoma arising from postoperative scar: An unusual presentation,.....96

Chickenpox

Herpes zoster case with extremity involvement after chickenpox infection in a healthy infant,..... 150

Childhood leprosy

Prevalence and clinical spectrum of childhood leprosy in a tertiary care hospital in Kolar,..... 130

COVID-19

Change in dermatology practice during crisis and normalization periods after the COVID-19 pandemic and potential problems awaiting us, .. 169

Cutaneous squamous cell carcinoma

Arbor cutis resulting from using topical imiquimod for treating actinic keratosis and squamous cell carcinoma *in situ*, 206

Cutis verticis gyrata

Coexistence of Touraine-Solente-Gole syndrome and type 1 neurofibromatosis: A case report, 143

D

Dermoscopy

A challenging diagnosis on dermoscopy: Lichen Planus Pigmentosus, .. 54

In misleading histories: Key role of dermoscopy,..... 210

Dysuria

Isotretinoin induced dysuria: A case report and review of literature about urological effects of isotretinoin, 199

F

Fungiform papillae

Pigmented fungiform papillae of the tongue: Co-existence of two patterns in the same patient and associated dental pigmentation, ...45

G

GDF-15

Role of GDF-15 as an inflammatory marker in patients with psoriasis vulgaris, 184

Genetics

The role of epidermal differentiation gene complex studies in atopic dermatitis,56

Granulomatous

Granulomatous skin infections, 1

H

Herpes zoster

Herpes zoster case with extremity involvement after chickenpox infection in a healthy infant,..... 150

Change in dermatology practice during crisis and normalization periods after the COVID-19 pandemic and potential problems awaiting us, ... 169

Hidradenitis suppurativa

Evaluation of mean platelet volume and platelet count in patients with hidradenitis suppurativa, 189

I

Insect bites and strings

Disseminated insect bite reactions in hazelnut workers,.....81

Isotretinoin

Isotretinoin induced dysuria: A case report and review of literature about urological effects of isotretinoin, 199

K

Kaposi sarcoma

Pyogenic granuloma-like Kaposi sarcoma: A case report with dermatoscopic and histopathological characteristics, 147

L

Lichenoid reaction

Annular lichenoid dermatitis of youth: A report of two cases and a review of the literature,..... 135

Lipodystrophy

Cutaneous manifestations in children patients with type 1 diabetes mellitus,.....22

Lymphoma

Diffuse large B-cell lymphoma that develops after using adalimumab in a patient with psoriasis,92

M-N

Macrophage migration inhibitory factor

Investigation of macrophage migration inhibitory factors and gene polymorphisms in patients with psoriasis, 102

Mal de Meleda

Mal de Meleda: A late-diagnosed family with a pathogenic variant not reported from Turkey,.....41

Melanoma

Need for patient education and better physician-patient communication in melanoma patients: Behaviors and knowledge of melanoma patients,27

Merkel cell carcinoma

Merkel cell carcinoma arising from postoperative scar: An unusual presentation,.....96

MIF gene polymorphism

Investigation of macrophage migration inhibitory factors and gene polymorphisms in patients with psoriasis, 102

Military medicine

Turkish Armed Forces health competence regulation interpretation recommendations,61

Mycosis fungoides

Annular lichenoid dermatitis of youth: A report of two cases and a review of the literature,..... 135

Mohs surgery

Island pedicle advancement flap: An effective technique for the repair of nasolabial defects, 153

Two hearts beat as one: An easy method to design a hard flap,99

Myasthenia gravis

Successful treatment of *Mycobacterium chelonae* skin infection in a patient on long-term immunosuppressive therapy for myasthenia gravis,51

Neurofibromatosis

Coexistence of Touraine-Solente-Gole syndrome and type 1 neurofibromatosis: A case report, 143

P-R

Pachydermoperiostosis

Coexistence of Touraine-Solente-Gole syndrome and type 1 neurofibromatosis: A case report, 143

Palmoplantar keratoderma

Mal de Meleda: A late-diagnosed family with a pathogenic variant not reported from Turkey,.....41

Polycystic ovary syndrome

Factors in the etiopathogenesis of post-adolescent female acne, ... 119

Psoriasis

Diffuse large B-cell lymphoma that develops after using adalimumab in a patient with psoriasis,92

Investigation of macrophage migration inhibitory factors and gene polymorphisms in patients with psoriasis, 102

Double serum sampled glomerular filtration rate measurement with technetium-99m diethylenetriamine-penta acetate for evaluation of renal functions in patients with psoriasis vulgaris,..... 108

The real-life efficacy and safety of secukinumab therapy (150 and 300 mg) in patients with moderate-to-severe plaque psoriasis: A twelve week, single center, retrospective study, 113

Secukinumab in psoriasis: A single-center experience,..... 125

Age distribution of psoriasis clinical types: A single center study, ... 193

Psoriasis vulgaris

Evaluation of arterial stiffness in patients with psoriasis vulgaris,14

Role of GDF-15 as an inflammatory marker in patients with psoriasis vulgaris, 184

Pyogenic granuloma

Pyogenic granuloma-like Kaposi sarcoma: A case report with dermatoscopic and histopathological characteristics, 147

Reflectance confocal microscopy

In vivo reflectance confocal microscopy terminology in the Turkish language, 158

Renal functions

Double serum sampled glomerular filtration rate measurement with technetium-99m diethylenetriamine-penta acetate for evaluation of renal functions in patients with psoriasis vulgaris,..... 108

S

Scabies

Change in dermatology practice during crisis and normalization periods after the COVID-19 pandemic and potential problems awaiting us,169

Secukinumab

The real-life efficacy and safety of secukinumab therapy (150 and 300 mg) in patients with moderate-to-severe plaque psoriasis: A twelve week, single center, retrospective study, 113

Secukinumab in psoriasis: A single-center experience,..... 125

SLURP1

Mal de Meleda: A late-diagnosed family with a pathogenic variant not reported from Turkey,.....41

Skin neoplasms

Investigation of the knowledge level, attitudes, and behaviors about sun protection and sunscreen in adolescent athletes,75

Sun protection behaviors and its affecting factors in parents of kindergarteners, 178

Subcutaneous

Subcutaneous granuloma annulare for differential diagnosis of scalp nodules,48

Sun protection

Need for patient education and better physician-patient communication in melanoma patients: Behaviors and knowledge of melanoma patients,27

Investigation of the knowledge level, attitudes, and behaviors about sun protection and sunscreen in adolescent athletes,75

Sun protection behaviors and its affecting factors in parents of kindergarteners, 178

T

Tc-99m DTPA GFR

Double serum sampled glomerular filtration rate measurement with technetium-99m diethylenetriamine-penta acetate for evaluation of renal functions in patients with psoriasis vulgaris, 108

Terminology

In vivo reflectance confocal microscopy terminology in the Turkish language, 158

Type 1 diabetes mellitus

Cutaneous manifestations in children patients with type 1 diabetes mellitus,22

Type D personality

Type D personality and quality of life in alopecia areata and vitiligo patients: A cross-sectional study in a Turkish population,87

U

Urticaria

The impact of vitamin D deficiency and autoimmunity on chronic spontaneous urticaria severity,70

V

Vaginal involvement

A case of Brucellosis with skin eruptions, 203

Vasculitis

Disseminated insect bite reactions in hazelnut workers,81

Vitiligo

Type D personality and quality of life in alopecia areata and vitiligo patients: A cross-sectional study in a Turkish population,87

Vitamin D

The impact of vitamin D deficiency and autoimmunity on chronic spontaneous urticaria severity,70
