

A

Acne vulgaris

Effects of systemic isotretinoin treatment on hemogram, biochemical parameters, and inflammatory markers, 9

Alopecia areata

The relationship between psychological distress and neurotrophins in patients with alopecia areata: A cross-sectional study, 99

Alopecia areata incognito: A rare cause of hair loss in children, 125

Autoerythrocyte sensitization

Four cases, one syndrome: Gardner-Diamond syndrome, 83

B

B-cell lymphoma

Evaluation of clinical and follow-up outcomes in primary cutaneous B-cell lymphomas: A single-center retrospective study from 2006 to 2022, 66

Basal cell carcinoma

Correlation of clinical, dermoscopic, and histopathological features of basal cell carcinoma, 54

Basosquamous carcinoma

Exploring the immunohistochemical profile of basosquamous carcinoma and its clinicopathological associations, 92

Behçet disease

Comparison of the hematological parameters of recurrent aphthous stomatitis and Behçet's disease, 35

C

Cosmetic

Content analysis of Turkish professional dermatologist accounts on Instagram, a social media platform, 30

Cosmetic surgery

Assessment of attitudes and goals regarding cosmetic procedures among individuals aged 18 to 28, 106

COVID-19

Pityriasis lichenoides chronica following SARS-CoV-2 infection: A case report and brief report of the literature, 117

Cryotherapy

A comparative study of tangential or vertical application of spray cryotherapy in warts treatment, 15

Cutaneous lymphoma

Evaluation of clinical and follow-up outcomes in primary cutaneous B-cell lymphomas: A single-center retrospective study from 2006 to 2022, 66

Cutaneous T-cell lymphoma

Cutaneous granulomas preceding peripheral cutaneous T-cell lymphoma NOS: A call for ongoing surveillance for late-onset malignancy, 127

D

Dermatitis

Delayed and recurrent jellyfish dermatitis: A case report, 45

Dermatopathology

Hemorrhagic polypoid lesion on the leg - eccrine porocarcinoma: A case report, 42

Dermoscopy

Hemorrhagic polypoid lesion on the leg - eccrine porocarcinoma: A case report, 42

Correlation of clinical, dermoscopic, and histopathological features of

basal cell carcinoma, 54

Alopecia areata incognito: A rare cause of hair loss in children, 125

Developmental hip dysplasia

A rare case of giant congenital melanocytic nevus associated with ipsilateral developmental dysplasia of the hip, 52

Dissecting cellulitis

Dissecting cellulitis of the scalp after hair transplantation: A case report, 87

Down syndrome

A case of concomitant hidradenitis suppurativa and psoriasis successfully treated with guselkumab in a patient with Down syndrome, 48

E

Ecchymosis

Four cases, one syndrome: Gardner-Diamond syndrome, 83

Eccrine

Hemorrhagic polypoid lesion on the leg - eccrine porocarcinoma: A case report, 42

Erythema induratum

Cutaneous granulomas preceding peripheral cutaneous T-cell lymphoma NOS: A call for ongoing surveillance for late-onset malignancy, 127

G

Gardner-Diamond

Four cases, one syndrome: Gardner-Diamond syndrome, 83

Gene polymorphisms

Relationship between Glutathione S-transferase gene polymorphisms and clinical features of psoriasis: A case-control study in the Turkish population, 75

Grey hair

A study of biochemical factors and knowledge, attitude, and practice in patients with premature graying of hair, 1

GST

Relationship between Glutathione S-transferase gene polymorphisms and clinical features of psoriasis: A case-control study in the Turkish population, 75

Guselkumab

A case of concomitant hidradenitis suppurativa and psoriasis successfully treated with guselkumab in a patient with Down syndrome, 48

H

Hair transplantation

Dissecting cellulitis of the scalp after hair transplantation: A case report, 87

Hidradenitis suppurativa

A case of concomitant hidradenitis suppurativa and psoriasis successfully treated with guselkumab in a patient with Down syndrome, 48

Hyperkeratosis

A case report of squamous cell carcinoma in ichthyosis hystrix Curth-Macklin, 121

I

Ichthyosis hystrix

A case report of squamous cell carcinoma in ichthyosis hystrix Curth-Macklin, 121

Immunohistochemistry

Exploring the immunohistochemical profile of basosquamous carcinoma and its clinicopathological associations, 92

J

Jellyfish

Delayed and recurrent jellyfish dermatitis: A case report, 45

K

KAP analysis

A study of biochemical factors and knowledge, attitude, and practice in patients with premature graying of hair, 1

M-N

Melanocytic nevus

A rare case of giant congenital melanocytic nevus associated with ipsilateral developmental dysplasia of the hip, 52

Myocardial functions

Effects of interleukin-12/23 inhibitors and interleukin-17 inhibitors on myocardial functions in patients with severe psoriasis, 112

Neurotrophin

The relationship between psychological distress and neurotrophins in patients with alopecia areata: A cross-sectional study, 99

P-R

Peripheral T-cell lymphoma

Cutaneous granulomas preceding peripheral cutaneous T-cell lymphoma NOS: A call for ongoing surveillance for late-onset malignancy, 127

Pityriasis lichenoides chronica

Pityriasis lichenoides chronica following SARS-CoV-2 infection: A case report and brief report of the literature, 117

Porocarcinoma

Hemorrhagic polypoid lesion on the leg - eccrine porocarcinoma: A case report, 42

Primary cutaneous follicle center B-cell lymphoma

Evaluation of clinical and follow-up outcomes in primary cutaneous B-cell lymphomas: A single-center retrospective study from 2006 to 2022, 66

Psychogenic purpura

Four cases, one syndrome: Gardner-Diamond syndrome, 83

Psoriasis

Relationship between Glutathione S-transferase gene polymorphisms and clinical features of psoriasis: A case-control study in the Turkish population, 75

A case of concomitant hidradenitis suppurativa and psoriasis successfully treated with guselkumab in a patient with Down syndrome, 48

Relationship between Glutathione S-transferase gene polymorphisms and clinical features of psoriasis: A case-control study in the Turkish population, 75

Effects of interleukin-12/23 inhibitors and interleukin-17 inhibitors on myocardial functions in patients with severe psoriasis, 112

Recurrent aphthous stomatitis

Comparison of the hematological parameters of recurrent aphthous stomatitis and Behçet's disease, 35

Ruptured infundibular cyst

Unusual histopathological findings of lupus miliaris disseminatus faciei: A case report, 24

S

SARS-CoV-2

Pityriasis lichenoides chronica following SARS-CoV-2 infection: A case report and brief report of the literature, 117

Skin cancer

Correlation of clinical, dermoscopic, and histopathological features of basal cell carcinoma, 54

Social media

Content analysis of Turkish professional dermatologist accounts on Instagram, a social media platform, 30

Solitary neurofibroma

Solitary mass of the external nose, 27

T

Topical therapy

A case of lymphangioma circumscriptum successfully treated with topical sirolimus, 21

V

Vascular malformation

A case of lymphangioma circumscriptum successfully treated with topical sirolimus, 21

W

Wart

A comparative study of tangential or vertical application of spray cryotherapy in warts treatment, 15
