

## A

### **Acantholytic Dyskeratosis**

Darier's disease: Clinical and demographic features of nine cases, 51

### **Acne Vulgaris**

Have you ever seen a pathologist with acne vulgaris?, 146

### **Acute Phase Reactants**

Effect of psoriasis severity on inflammation parameters: Controlled study, 91

### **Angiogenesis**

Clinical and histopathological evaluation of the effects of platelet rich plasma, platelet poor plasma and topical serum physiologic treatment on wound healing caused by radiofrequency electrosurgery in rats, 44

### **Antioxidants**

Antioxidant activity in melasma, 33

### **Areola**

Idiopathic hyperkeratosis of the nipple and areola: A report of two cases, 67

Frictional melanosis of the areola associated with severe atopic dermatitis: A case report with striking dermoscopic features, 74

### **Atypical Presentation**

Perforating pilomatrixoma showing atypical presentation: A rare clinical variant, 37

### **Atopic Dermatitis**

The Turkish guideline for the diagnosis and management of atopic dermatitis-2018, 6

Proactive treatment and clinical effectiveness in atopic dermatitis, 106

## B

### **Body Mass Index**

Effect of psoriasis severity on inflammation parameters: Controlled study, 91

## C

### **Chronic Urticaria**

Omalizumab in chronic urticaria: a comprehensive review, 112

### **Circinate Vulvitis**

A rare entity: Keratoderma blenorrhagicum in a patient with Reiter's syndrome, 103

### **Confluent and Reticulated Papillomatosis**

Successful treatment of confluent and reticulated papillomatosis with tetracycline and mupirocin, 64

### **Cutaneous Mucinosis**

Papular mucinosis: a report of two cases, 142

## D

### **Darier's Disease**

Darier's disease: Clinical and demographic features of nine cases, 51

### **Dendritic Cells**

Specific cutaneous involvement of a mixed-type mature plasmacytoid dendritic cell tumor in chronic myelomonocytic leukemia, 70

### **Dermatopathology**

Advantages of virtual dermatopathology use in education, 2

### **Dermoscopy**

Frictional melanosis of the areola associated with severe atopic dermatitis: A case report with striking dermoscopic features, 74

## E-F

### **Epidemiology**

Evaluation of demographic and clinical characteristics of 166 patients with herpes zoster in the Kırşehir region, 95

### **Epithelization**

Clinical and histopathological evaluation of the effects of platelet rich plasma, platelet poor plasma and topical serum physiologic treatment on wound healing caused by radiofrequency electrosurgery in rats, 44

### **Fibrosis**

Clinical and histopathological evaluation of the effects of platelet rich plasma, platelet poor plasma and topical serum physiologic treatment on wound healing caused by radiofrequency electrosurgery in rats, 44

### **Filling**

Is hyaluronidase injection effective in treating tear trough hyaluronic acid filler deformity?, 108

## G

### **Genodermatosis**

Darier's disease: Clinical and demographic features of nine cases, 51

## H-I

### **Herpes Zoster**

Evaluation of demographic and clinical characteristics of 166 patients with herpes zoster in the Kırşehir region, 95

### **HHV-8**

Evaluation of clinical course, histopathological and treatment characteristics of patients with Kaposi's sarcoma, 131

### **Hyperkeratosis**

Idiopathic hyperkeratosis of the nipple and areola: A report of two cases, 67

### **Homeostasis**

The role of thiol/disulfide homeostasis in psoriasis: Can it be a new marker for inflammation?, 120

### **Interdigital Pilonidal Sinus**

An insight to pilonidal sinus etiology; interdigital pilonidal sinus, 100

### **Inflammation**

Pregnancy outcomes in inflammatory skin diseases, 126

## K

### **Kaposi's sarcoma**

Evaluation of clinical course, histopathological and treatment characteristics of patients with Kaposi's sarcoma, 131

### **Keratoderma Blenorrhagicum**

A rare entity: Keratoderma blenorrhagicum in a patient with Reiter's syndrome, 103

## L

### **Leukemia**

Specific cutaneous involvement of a mixed-type mature plasmacytoid dendritic cell tumor in chronic myelomonocytic leukemia, 70

## **Lichen Myxoedematosus**

Papular mucinosis: a report of two cases, 142

## **Lichen Planus**

Do we really not need to treat patients with white reticular lesions of oral lichen planus?: A case-control pilot study, 24

## **Lip**

May dermal fillers be an effective application in correcting lip asymmetries?, 40

## **M-N-O**

### **Melasma**

Antioxidant activity in melasma, 33

### **Mycosis Fungoides**

Is there any association between mycosis fungoides and  $T_h-1$ ,  $T_h-2$  cytokines and transforming growth factor-beta 1 gene polymorphisms?, 137

### **Myelomonocytic**

Specific cutaneous involvement of a mixed-type mature plasmacytoid dendritic cell tumor in chronic myelomonocytic leukemia, 70

### **Nipple**

Idiopathic hyperkeratosis of the nipple and areola: A report of two cases, 67

An insight to pilonidal sinus etiology; interdigital pilonidal sinus, 100

### **Occupational Diseases**

The state of occupational dermatoses in Turkey, 80

### **Oral Health**

Do we really not need to treat patients with white reticular lesions of oral lichen planus?: A case-control pilot study, 24

## **P-R**

### **Pilomatrixoma**

Perforating pilomatrixoma showing atypical presentation: A rare clinical variant, 37

### **Polymorphism**

Is there any association between mycosis fungoides and  $T_h-1$ ,  $T_h-2$  cytokines and transforming growth factor-beta 1 gene polymorphisms?, 137

### **Primary cicatricial alopecia**

Surgical correction of primary cicatricial alopecia: Experience with nine patients, 85

### **PPP**

Clinical and histopathological evaluation of the effects of platelet rich plasma, platelet poor plasma and topical serum physiologic treatment on wound healing caused by radiofrequency electrosurgery in rats, 44

### **PRP**

Clinical and histopathological evaluation of the effects of platelet rich plasma, platelet poor plasma and topical serum physiologic treatment on wound healing caused by radiofrequency electrosurgery in rats, 44

## **Psoriasis**

Effect of psoriasis severity on inflammation parameters: Controlled study, 91

The role of thiol/disulfide homeostasis in psoriasis: Can it be a new marker for inflammation?, 120

## **Reiter's syndrome**

A rare entity: Keratoderma blenorrhagicum in a patient with Reiter's syndrome, 103

## **S**

### **Secondary Malignancy**

Evaluation of clinical course, histopathological and treatment characteristics of patients with Kaposi's sarcoma, 131

### **Skin Neoplasms**

Development of sun protection behaviors in preschoolers: A systematic review, 56

### **Stria Gravidarum**

Determination of complementary therapies for prevention of striae gravidarum, 29

### **Sun Protection Factor**

Development of sun protection behaviors in preschoolers: A systematic review, 56

## **T**

### **Tinea Versicolor**

Successful treatment of confluent and reticulated papillomatosis with tetracycline and mupirocin, 64

## **V-Y**

### **Varicella Zoster Virus**

Evaluation of demographic and clinical characteristics of 166 patients with herpes zoster in the Kırşehir region, 95

## **W**

### **Wound Healing**

Clinical and histopathological evaluation of the effects of platelet rich plasma, platelet poor plasma and topical serum physiologic treatment on wound healing caused by radiofrequency electrosurgery in rats, 44

## **X**

### **Xanthelasma**

A simple xanthelasma palpebrarum treatment: scissor excision, 148
