

A

Acrodermatitis Continua Hallopeau

Topical tacrolimus for the treatment of acrodermatitis continua of Hallopeau: A case report and review of the literature, **133**

Acne

Resistance status of antibiotics in Gram-positive bacteria isolated from acne lesions in Istanbul, **32**

Acrochordon

Keratoacanthoma in an acrochordon, **24**

Anaplastic

Fatal anaplastic lymphoma kinase positive anaplastic large cell lymphoma presenting with cutaneous lesions: A case report, **52**

Androgenetic Alopecia

Evaluation of ischemia-modified albumin level and parameters related with oxidative stress in early onset androgenetic alopecia, **115**

Antibiotic Resistance

Resistance status of antibiotics in Gram-positive bacteria isolated from acne lesions in Istanbul, **32**

B

Benign Follicular Hamartoma

Multiple pilar sheath acanthomas on the scrotal region, **18**

Bone Marrow Transplantation

Mucocutaneous findings in pediatric patients with bone marrow transplantation, **7**

Bullous Pemphigoid

Our clinical experience with the use of omalizumab in the treatment of bullous pemphigoid, **124**

C

Cardiac Involvement

Joint diagnosis of pediatric and dermatology clinics: Prospective observation of thirtynine patients with hand, foot and mouth disease, **41**

Confluent and Reticulated Papillomatosis

Gougerot-Carteaud syndrome treated with acitretin: A case report, **56**

Cosmetic Dermatology

Factors affecting the development of scar formation in abdominal surgery performed for gynecologic and obstetric conditions, **12**

Cyclosporin-A

A case of erosive lichen planus with plantar involvement, **129**

D

Dermatitis

Therapeutic and prophylactic effects of strontium on radiotherapy-induced skin toxicity in rats, **109**

Dermoscopy

Dermoscopic findings of psoriatic nail and their relationship with disease severity, **119**

E-F

Endometriosis

Primary umbilical endometriosis: Menstruating from the umbilicus, **101**

Erythematotelangiectatic Rosacea

Impact of intense pulse light on quality of life in patients with erythematotelangiectatic rosacea, **46**

Fibroepithelial Polyp

Keratoacanthoma in an acrochordon, **24**

G

Granulomatous

Melkersson-Rosenthal syndrome and psoriasis: An association beyond coincidence?, **26**

Gougerot-Carteaud Syndrome

Gougerot-Carteaud syndrome treated with acitretin: A case report, **56**

H-I

Hand-Foot-Mouth Disease

Joint diagnosis of pediatric and dermatology clinics: Prospective observation of thirtynine patients with hand, foot and mouth disease, **41**

Histopathology

Keratoacanthoma in an acrochordon, **24**

Homocysteine

Blood homocysteine, folic acid, vitamin B12 and vitamin B6 levels in psoriasis patients, **92**

IMA

Evaluation of ischemia-modified albumin level and parameters related with oxidative stress in early onset androgenetic alopecia, **115**

K-L

Keratoacanthoma

Keratoacanthoma in an acrochordon, **24**

Lichen Planus

A case of erosive lichen planus with plantar involvement, **129**

Lichen Sclerosus et Atrophicus

A case of lichen sclerosus et atrophicus on the scalp with unusual localization, **104**

Lichen Striatus

Lichen striatus occurring after a tetanus vaccine: A case report, **59**

Life Quality

Impact of intense pulse light on quality of life in patients with erythematotelangiectatic rosacea, **46**

Lymphangitis

Non-venereal sclerosing lymphangitis of the penis: A report of two cases, **98**

Lymphoma

Fatal anaplastic lymphoma kinase positive anaplastic large cell lymphoma presenting with cutaneous lesions: A case report, **52**

M-N-O

Melkersson-Rosenthal

Melkersson-Rosenthal syndrome and psoriasis: An association beyond coincidence?, **26**

Metabolic Syndrome

The role of uric acid in metabolic syndrome in patients with psoriasis, **37**

Neutrophilic Dermatitis

Subcorneal pustular dermatosis "Sneddon-Wilkinson disease": A case report, **21**

Onychomadesis

Joint diagnosis of pediatric and dermatology clinics: Prospective observation of thirtynine patients with hand, foot and mouth disease, **41**

P-R

Palmoplantar

A case of erosive lichen planus with plantar involvement, **129**

Phototherapy

The efficacy of microphototherapy in vitiligo patients with localized lesions, **78**

Pilar Sheath Acanthoma

Multiple pilar sheath acanthomas on the scrotal region, **18**

Pilar Neoplasm

Multiple pilar sheath acanthomas on the scrotal region, **18**

Primary

Primary umbilical endometriosis: Menstruating from the umbilicus, **101**

Primary Cutaneous

Fatal anaplastic lymphoma kinase positive anaplastic large cell lymphoma presenting with cutaneous lesions: A case report, **52**

Psoriasis

Melkersson-Rosenthal syndrome and psoriasis: An association beyond coincidence?, **26**

The role of uric acid in metabolic syndrome in patients with psoriasis, **37**

Comorbidities in psoriasis: The recognition of psoriasis as a systemic disease and current management, **71**

Evaluation of psoriasis patients with a rheumatologic questionnaire efficiently aids in early detection of psoriatic arthritis, **88**

Blood homocysteine, folic acid, vitamin B12 and vitamin B6 levels in psoriasis patients, **92**

Dermoscopic findings of psoriatic nail and their relationship with disease severity, **119**

Psoriatic Arthritis

Evaluation of psoriasis patients with a rheumatologic questionnaire efficiently aids in early detection of psoriatic arthritis, **88**

Puerperium

Factors affecting the development of scar formation in abdominal surgery performed for gynecologic and obstetric conditions, **12**

Radiation

Therapeutic and prophylactic effects of strontium on radiotherapy-induced skin toxicity in rats, **109**

S

Sarcoidosis

Diagnosis: A rare involvement: Scalp sarcoidosis with dermoscopic features without systemic involvement, **142**

Scalp

A case of lichen sclerosus et atrophicus on the scalp with unusual localization, **104**

Sexual Intercourse

Non-venereal sclerosing lymphangitis of the penis: A report of two cases, **98**

Short Form-36

Impact of intense pulse light on quality of life in patients with erythematotelangiectatic rosacea, **46**

Skin Infections

Investigation of skin infection frequency in Turkish wrestlers, **84**

Skin Tag

Keratoacanthoma in an acrochordon, **24**

Skin Toxicity

Therapeutic and prophylactic effects of strontium on radiotherapy-induced skin toxicity in rats, **109**

Sneddon-Wilkinson Disease

Subcorneal pustular dermatosis "Sneddon-Wilkinson disease": A case report, **21**

Sport

Investigation of skin infection frequency in Turkish wrestlers, **84**

Subcorneal Pustular Dermatitis

Subcorneal pustular dermatosis "Sneddon-Wilkinson disease": A case report, **21**

Sun Protection

Evaluation of knowledge, attitude, and behavior about harmful effects of the sun and sun protection among patients attending an outpatient clinic, **2**

Surgical Incision

Factors affecting the development of scar formation in abdominal surgery performed for gynecologic and obstetric conditions, **12**

T-U

Trichoscopy

Diagnosis: A rare involvement: Scalp sarcoidosis with dermoscopic features without systemic involvement, **140**

Topical

Resistance status of antibiotics in Gram-positive bacteria isolated from acne lesions in İstanbul, **24**

Uric Acid

The role of uric acid in metabolic syndrome in patients with psoriasis, **37**

V

Vitiligo

The efficacy of microphototherapy in vitiligo patients with localized lesions, **78**

Visual Analog Scale

Impact of intense pulse light on quality of life in patients with erythematotelangiectatic rosacea, **46**
